

Kurve

optical mouse

Well-rounded functionality designed for comfort

The unique design of the **Kurve** Optical Mouse brings together a sleek, contemporary look and the superb accuracy of a high-definition optical sensor. The lighted scroll wheel and responsive buttons make it possible to navigate seamlessly among the different applications and documents. Sporting an ambidextrous design and a cool glossy finish, the **Kurve** is not only a stylish accessory, but one of the sharpest you will ever find!
